## Neurological Vision Impairment Division

---

Greetings NVID,

Spring is just around the corner and so are some amazing learning opportunities!

---

### **Designing an Accessible Academic Experience for Students with Cortical Visual Impairment: A Virtual Four-Part Workshop**

Starting March 20th Matt Tietjen will be doing a free workshop for service providers working with students with CVI. It's recommended attendees have basic knowledge of the CVI Range and the associated characteristics. This workshop is hosted by Columbia Regional Inclusive Services and Northwest Regional Education Service District. Dates are March 20th: 1-4 pm, April 6th: 1-4 pm, April 17th: 1-4 pm, and May 4th: 1-4 pm. Sign up for this workshop at the [Columbia Regional Inclusive Services website](#).

---

### **Cortical/Cerebral Visual Impairment: A foundational overview and understanding**

This instructor-led online course from Perkins School for the Blind runs from April 10th - June 4th. Participants will get an "inclusive overview of cortical/cerebral visual impairment describing the condition, its causes and associated medical conditions, and the educational and development impacts of brain-based visual impairment" (course description).

Register through [Perkins E-Learning](#)

---

### **Upcoming Conferences**

4/20 - 4/23 California Transcribers and Educators of the Blind and Visually Impaired (CTEBVI) with presentations on CVI from Dr. Amanda Lueck and Ilse Williams (CVI Project Coordinator: Perkins School for the Blind)

7/24 - 7/27 Vision 2023: Denver Colorado

Learn more at [Vision 2023 Denver](#).
