

CRC

CERTIFIED REHABILITATION COUNSELOR

Would you like to empower individuals with vision loss to reach their career goals?

Become a CRC

- Worldwide opportunities for job placement
- Work 1:1 with high school students and adults
- Provide career exploration, counseling, and guidance

How to begin

For information on becoming a CRC, visit the Commission on Rehabilitation Counselor Certification website at <https://crccertification.com>.

Where a CRC may work

- State and rehabilitation agencies
- U.S. Department of Veterans Affairs
- Residential training centers
- Private contract in a variety of settings

What might a CRC do?

- **Empower individuals** to reimagine what is possible after vision loss
- **Identify work or career options** tailored to interests and abilities
- Partner with individuals to **develop an employment plan**
- **Coordinate and implement** employment plan for services
- **Advocate** for workplace supports and accommodations
- **Collaborate** with employers, schools, and communities
- **Encourage individuals** to build life skills and gain confidence
